

EECS 581: SOFTWARE ENGINEERING 2

PROJECT 1

Sep 13th

GROUP MEETING

No meeting today

DAY-BY-DAY ACCOUNTING

Vinayak

- Task Description: Quality Assurance (Tests) and Bug Resolves
- Hours Spent: 2
- Notes: Did quite a bit of tests and fixed bugs. Need to add automated testing before “release”

Zach

- Task Description: Testing
- Hours Spent: 1
- Notes: A lot of testing and looking for any potential bugs

Nicholas

- Task Description: Adjusted comments for prologue and code
- Hour Spent: 1
- Notes: Added more comments to each line of code and adjusted the prologue code to be more descriptive

Kristin

- Task Description: Testing
- Hour Spent: 0.5
- Notes: Did a bit of testing and explored ways to improve the display of the game board and enhance the visual presentation of output (nothing committed)

Lisa

- Task Description: Documentation
- Hour Spent: 0.5
- Notes: continue working on the code documentation, including the project introduction and overview.
